

2019 End of Session Report

In 2019, 1868 bills were introduced in Arkansas, and more than 1000 bills were enacted. CAI tracked three bills this session closely and worked with local stakeholders to successfully oppose a bill, which would have negatively impacted community associations. Below is a highlight from the 2019 General Assembly:

A Bill that Failed

- **Restrictive covenants (SB 551)** – This bill attempted to place further regulations on association’s restrictive covenants and would have created much confusion as to where current association’s restrictive covenants would stand. CAI worked with stakeholders to successfully advocated for the bill’s failure.
