

# **Professional Community Association Manager® (PCAM®)** Reinstatement Application

In order to maintain the Professional Community Association Manager (PCAM) designation the designee is required to redesignate every three (3) years by providing proof of continuing education and submitting an annual maintenance fee. If your designation has been allowed to expire for either nonpayment or lack of continuing education, the following qualifications must be fulfilled for reinstatement.

This application is only to be used by those who are seeking reinstatement and have met the following criteria:

- The candidate's status must have expired within the past five (5) years.
- A non-refundable reinstatement fee must accompany the application.
- The candidate must have continued to comply with the Professional Manager Code of Ethics.

Once a reinstatement is approved and processed, the designee will have a period of one year to provide proof of continuing education through the PCAM Redesignation process (in August). The education does not have to be completed prior to the submission of this application.
