

Educate your communities with resources from the experts

CAI's Builders Alliance

CAI recognizes the value of builders and developers within the community association industry. The newly-established Builders Alliance was created as an opportunity for builders and developers to have access to valuable resources and information for your community association boards and residents. By sharing these resources, you'll be performing a valuable service for your communities, your organization, and the industry as a whole.

Alliance participants have the opportunity to grant a free trial membership to their communities.

For more information on trial memberships and the Builders Alliance, email memberservices@caionline.org or call (888) 224-4321 (M-F, 9-6:30 ET).

Help educate your communities with these free materials from CAI:

Community Matters

This convenient eight-panel brochure should be included in sales kits and welcome kits. It provides the prospective homebuyer an idea of the added value of living in an association-governed community.
