

Utah LAC's Capitol Kick-Off

On Friday, January 21, 2011, the members of CAI's Utah LAC and over 80 of their CAI colleagues kicked-off the legislative session with a luncheon at the Utah State Capitol. To memorialize the event the Governor declared January 21 as *Community Association Day*. Members of the LAC hosted a panel discussion on their legislative priority for 2011; passage of a modified version of the Uniform Common Interest Ownership Act. The LAC's proposal focuses on issues related to insurance coverage for units in community associations. The LAC's panel discussion was joined by the President of the Senate Michael Waddoups, Senate Majority Whip Wayne Niederhauser and state representatives Gage Froerer and Curt Webb.
