

VIRGINIA RELEASES COMPLIANCE INFORMATION FOR THE STATE'S NEW LICENSING LAW

Virginia's new licensing law (Chapter 851; [HB 516](#)) is effective July 1, 2008. CAI's overview of this law, which incorporates the just-released Virginia [Department of Professional and Occupational Regulation](#) preliminary compliance guidance, can be found under the [Heads-Up](#) manager licensing section.

As additional information becomes available, it will be posted under this manager licensing section.

And for an overview of this and other important Virginia developments, please see "2008 Legislative Update – Virginia," from the June, 2008 *Quorum* magazine, posted under the state of Virginia on CAI's [Advocacy Center](#).
