1 **Gives you a voice.** The volunteer committee represents the approximately 1.4 million people who live and work with Michigan’s 8,400 community associations. Your donation saves you and your community association money by protecting Michigan’s homeowner and condominium associations from onerous legislation.

2 **Keeps you informed and involved.** The Michigan Legislative Action Committee organizes “grassroots” advocacy campaigns — letters, e-mails, and phone communications regarding important issues related to community associations.

3 **Tracks legislation that could impact community associations.** In 2020, the committee reviewed bills that directly or indirectly impacted community associations >> [www.caionline.org/LegislativeTracking](http://www.caionline.org/LegislativeTracking)

4 **Strengthens key relationships with lawmakers in Lansing.** By educating lawmakers, legislative and executive staff, and other organizations, as well as testifying, the committees help advance issues facing community associations and influence the outcome of legislation.

5 **Advocacy Successes.** The last-minute passage of Michigan House Bill No. 5611 gave stakeholders a 3-year extension to propose changes to the Marketable Record Title Act (“MRTA”). These are intended to resolve potential problems created by the 2018 amendments to the MRTA.

The LAC is working to protect older condominium and homeowners associations from having their governing documents inadvertently extinguished by the 2018 amendments to the Act. Additional information about the LAC can be found on the LAC’s website [http://www.cai-michigan.org/advocacy.html](http://www.cai-michigan.org/advocacy.html)
