HOW TO JOIN

For details on how to become a National Corporate Member, please call CAI's Member Service Center at (888) 224-4321. The annual membership fee of \$10,745 includes one national membership and membership in 61 CAI chapters.

A National Corporate Membership is an essential investment for your company. In today's competitive marketplace, gaining easy access to the right audience can make the difference between success and failure.

The member company name has to be the same for all chapter memberships. Only one member contact per chapter listing. All memberships share the same expiration date.

One renewal notice of \$10,745 is sent annually to the corporate billing contact. The number of CAI chapters may vary.

The \$10,745 membership fee includes a \$495 LAC fee (see below) and a voluntary \$250 tax-deductible donation to the Foundation for Community Association Research.

The \$495 advocacy support fee is the primary source of funds for CAI's legislative and regulatory efforts. All fees from members in states with an authorized CAI Legislative Action Committee (LAC) directly support the LACs' efforts to represent and protect members in those states. (There were 35 state LACs as of June 2018.)
