

Community Associations Institute (CAI) Advocate Engagement Sign-Up

By reaching out to your legislators about issues and legislation affecting the community association industry, you can help community associations remain preferred places to live and work! The more people that take action, the better we can protect the the 77.1 million people living and working in America's 369,000 community associations.

Name:

Email:

Company Name:

Zip Code:

Senate District #:

House District #:

I know who my state legislators are.

☐ Yes

☐ No

I am willing to contact my state legislators.

☐ Yes

☐ No

I have contacted an elected official before.

☐ Yes

☐ No

The issues most important to my community are:

- 1.
- 2.
- 3.

I know the following state legislators personally and will speak with them about CAI priority issues:
