

# 2022 DATA JUST RELEASED

FOR THE NINTH TIME IN 17 YEARS, AMERICANS LIVING IN HOMEOWNERS ASSOCIATIONS, CONDOMINIUMS, AND HOUSING COOPERATIVES SAY THEY'RE OVERWHELMINGLY SATISFIED IN THEIR COMMUNITIES.

The April 2022 survey affirms the findings of almost identical national surveys conducted every other year since 2005. The 2022 survey was conducted by Zogby Analytics for the Foundation for Community Association Research. The findings from the surveys throughout the years are strikingly consistent and rarely vary a standard margin error for national, demographically representative surveys.

## By large majorities, most residents rate their overall community experience as positive or neutral.

**87%** think the members of the elected governing board, absolutely or for the most part, strive to serve the best interests of the community of the whole.

**87%** say they are on friendly terms with the community association board.

**74%** say the manager provides value and support to residents and the community as a whole.

**86%** said the experience with their manager is generally positive.

The Foundation for Community Association Research provides authoritative research and analysis on community association trends, issues, and operations.
