CAI's Kentucky Legislative Action Committee (KY LAC) is a diverse group of homeowner leaders, community managers, and representatives from community association business partners provides perspective on how proposed legislation could impact the 274,000 Kentuckians live in Kentucky's nearly 3,000 community associations. KY LAC monitors state legislation, educates lawmakers, and protects the interests of those living and working in community associations.

## Legislative Successes

LAC advocacy has led to meaningful change in Kentucky, most notably with the passage of the Planned Community Act in 2023. The LAC allows community association homeowners, managers, and business partners to speak with one voice to lawmakers in Frankfort, and work collaboratively to advance legislation that makes a real difference, while working to defeat legislation that would harm community associations and their homeowners.
