

RESPONSIVE | POWERFUL | CONNECTED

CAI Press has unveiled a new digital books platform.

Whether you're reading on a computer or mobile app — online or offline — the new platform will give you the ability to access our valuable resources when you want and where you want.

What to know:

- Your books have been transferred to the new platform automatically.
- You'll continue to access them on the web via ebooks.caionline.org.
- You'll continue to log in with the same username as www.caionline.org.
- The **mobile app** is changing from iPublishCentral Reader to Mon'k.
 - o Visit your mobile app store and search "Monk iPublishCentral." Look for the following icon:

- o Or, visit ebooks.caionline.org from your mobile device, scroll down, and click on the following for a direct link to the Mon'k app:

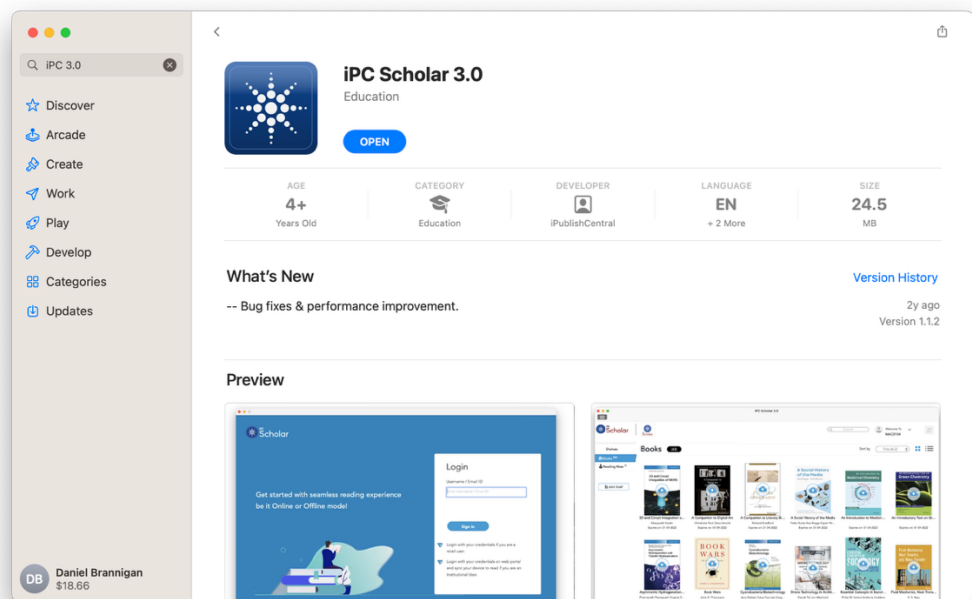

DOWNLOAD APP Access your content on the go!

Now, you can download the app available through the App Store / Play Store and read your subscribed content anytime, anywhere and on any device.

- The **desktop app** is changing from iPublishCentral eBooks Reader to iPC Scholar 3.0.
 - o Visit your desktop app store and search “iPC Scholar 3.0.” Look for the following icon:

- o Or, visit ebooks.caionline.org from your computer, scroll down, and click on the following for a direct link to the iPC Scholar app:

DOWNLOAD APP Access your content on the go!

Now, you can download the app available through the App Store / Play Store and read your subscribed content anytime, anywhere and on any device.
