Expectations of All Speakers:

The following is meant to aid each of our speakers in meeting the expectations of Law Seminar Attendees and aiding the entire CAI Staff and Law Seminar Planning Committee in producing an unforgettable 2019 Law Seminar:

1. All sessions must be accompanied by quality written materials, unless an exemption has been approved by the Law Seminar Planning Committee Chair. A PowerPoint presentation is not sufficient by itself. The written materials should be substantial. In theory someone who does not attend your session should be able to read your written materials and gain knowledge of most of what is covered during your session. Materials should contain case analysis and citations as appropriate. Materials which include checklists, forms or templates are generally well received by participants. Your rough draft materials must be received by November 2, 2018. Please email your presentations to your Point of Contact (POC) and hcarson@caionline.org. Your final materials are due December 7, 2018.
2. Adding speakers to panel - The committee will review any additions and/or substitutions before the speaker is confirmed. If you or anyone on your panel is unable to present at the Law Seminar contact your POC and Holly Carson to let us know immediately.
3. Law Seminar speakers are responsible for making their own travel arrangements and are also responsible for registration, travel and hotel expenses incurred. We encourage you to make your reservations ASAP as the block is sure to sell out before it expires on December 28, 2018.
4. Registration is \$649 by December 7, 2018 and \$699 after December 7, 2018. The registration for Law Seminar includes access to all education sessions, unlimited access to session recordings after the Law Seminar for one year, the Seminar App with materials, the 2019 Online Document Library, continental breakfasts, refreshment breaks, lunches, and a reception on Friday evening.
5. All speakers must meet the following deadlines:

Specifications for Presentation Handouts

Please email draft handouts and PowerPoint to your Point of Contact (**POC**) and Holly Carson at hcarson@caionline.org by **November 2, 2018**. All handouts must be reviewed by your **POC** before considered final. It is critical that handouts be turned in on time, as they will be used to submit for state MCLEs, and they will included in the Law Seminar App and Online Document Library, a comprehensive body of knowledge that is published before the event and given to each attendee.

Final handouts and PowerPoint are due **December 7, 2018**. Send to POC and hcarson@caionline.org.

Send your presentation handouts electronically as a Word, Excel, and/or PowerPoint document. An electronic version is required. Scanned documents are not searchable.

Document Too Big to Send Via Email?

Another way to send it electronically, if your documents are too big, is to send it through www.dropbox.com, a free web-based document holder. Go online and upload your document and add the POC and my email address as recipients.

Remember to incorporate the description blurb from the brochure into your presentations. Attendee feedback indicates that when they can relate the education sessions to the information they received in advance, their overall satisfaction is greater.

In addition, be sure that all handouts conform to the following guidelines:

- **DO NOT** include any company logos or company letterhead
- Set top and bottom margins at a minimum of .75 inch
- Set left and right margins at a minimum of .75 inch
- Use a font size of at least 12 point
- Single-space text
- Use Microsoft Word, Excel, or PowerPoint (Contact [Holly Carson](#) if this is a problem.)
- **YOU MUST** use the PowerPoint Template provided by CAI

Specifications for PowerPoint Presentations

- **November 2, 2018** – Drafts due to POC and hcarson@caionline.org
- **December 7, 2018** – Final due to POC and hcarson@caionline.org

We have provided a PowerPoint template for your use. This template will be available on the speaker's web page.

The template is to enhance the quality of your presentation for the attendees and to link the presentations to the seminar theme.

DO NOT place any company logos on PowerPoint slides. Our attendees appreciate expert and professional education sessions and will have access to your information should they wish to contact you for business reasons. On that same note, attendees are sensitive to anything that appears to be a "sales pitch" and tend to react negatively toward those presentations. A relevant, coherent, interesting presentation is the best sales pitch!

Please also refer to the tips on effective PowerPoint presentations when developing your slides. The tips will help you get your point across, enhance the value of your presentation, and make the handouts for the Resource Guide more valuable.
